Join the Leaders in the Cardiac and Pulmonary Rehab Community

Founded in 1985, the American Association of Cardiovascular and Pulmonary Rehabilitation (AACVPR) is a multidisciplinary professional association comprised of health professionals who serve in the field of cardiac and pulmonary rehabilitation. Members include but are not limited to:

- Nurses
- Exercise Physiologists
- Program Directors
- Physical Therapists
- Respiratory Therapists
- Nutritionists
- Physicians
- Behavioral Scientists

Bringing together this community of professionals helps AACVPR shape the science and standards of practice in the field.

The Main Thing that We Do: Saving Lives by Helping Heal Hearts, Lungs and People

The AACVPR mission is quite simple. We exist to reduce morbidity, mortality, and disability from cardiovascular and pulmonary diseases by providing education, prevention, rehabilitation, research, and disease management.

The Value of AACVPR Membership

Your AACVPR membership value goes beyond educational and networking opportunities. Membership benefits include ways to enhance your facility's program, grow your knowledge of the legislative and regulatory standards impacting cardiac and pulmonary rehab, and most importantly, a collective voice to enhance the field and save and improve lives.

Step up your involvement in the rehabilitation community and join AACVPR.
