# HONOR

This year we celebrate the inspiring stories of nurses across the nation who have dedicated their lives to serving our communities. As a special thank you, the American Nurses Association will donate a portion of the proceeds from every product purchased on these two pages to support the American Nurses Foundation's Honor a Nurse program. With each purchase, you will receive a complimentary keepsake that features a nurse's powerful story.

Through the Honor a Nurse program, nurses are recognized for their extraordinary contributions to health care. If you would like to make an additional donation in honor of a special nurse, your honoree will receive recognition online, notification, and a nomination for Nurse of the Year. Learn more about Honor a Nurse and the American Nurses Foundation at [givetonursing.org](http://givetonursing.org).
