CELEBRATE RESPIRATORY CARE WEEK

OCT 19-25, 2014

No matter where you work in respiratory care, whether it's neonatal-pediatrics, geriatrics, emergency care, pulmonary rehabilitation, acute care, home care, education, sleep, or another specialty, your role as a respiratory therapist is to restore and improve lung health to patient's lives. **Respiratory Care Week** is the time to tell your story. During this week, the AARC encourages you to reach out to the general public, your patients, and your colleagues in healthcare, and inform them about the unique healthcare benefits that respiratory therapists provide.

Start planning now to show your enthusiasm and pride in your chosen profession.

- Promote lung health awareness in your community.
- Educate local students about respiratory care as a career.
- Demonstrate the value of respiratory therapists in your facility.
- Plan events for recognition and fun with your respiratory care colleagues.
