National Radiologic Technology Week®

NOVEMBER 8-14
2015

National Radiologic Technology Week® celebrates the important role medical imaging and radiation therapy professionals play in patient care and health care safety. Celebrate with gifts from ASRT and Jim Coleman, Ltd., that feature the official "Discovering the Inside Story" theme.

Each year, health care organizations nationwide celebrate NRTW with staff recognition programs, in-services, public awareness campaigns, official proclamations, community forums, open houses and more.

Let us help you organize your own NRTW celebration this year. The ASRT offers testimonials, the best new ideas from others' celebrations and an online guide to promoting the event. Visit www.asrt.org/nrtw for tips and tricks to make your celebration a success.
