CELEBRATE HEALTH CARE SUPPLY CHAIN HEROES

October 4-10, 2020

National Health Care Supply Chain Week (SC Week), October 4-10, 2020, is an opportunity to recognize and celebrate hard-working health care supply chain professionals for their selfless dedication to high-quality patient care and exceptional contributions to their health care organizations and communities.

With the outbreak of COVID-19, the health care supply chain was called upon more than ever to source the personal protective equipment and supplies needed to armor those on the front lines of patient care battling the pandemic. Health care professionals are the unsung heroes behind the scrubs, tirelessly fighting the coronavirus alongside physicians, nurses, service line leaders and other health care workers.

Through supply shortages, alternate sourcing and every challenge the health care supply chain faced, we have seen incredible collaboration and innovation – the true embodiment of advancing health care through supply chain excellence. In recognition of the hard work and dedication of supply chain professionals who support every area of health care organization, not just during the public health crisis but every day, the Association for Health Care Resource & Materials Management (AHRMM) proudly celebrates SC Week.

AHRMM invites you to commemorate SC Week 2020 with a diversified collection of new merchandise featuring the official 2020 logo and theme: Health Care Supply Chain Heroes. Begin planning your celebration activities now by ordering well-deserved gifts for your staff, colleagues and friends.

Supply chain personnel are heroes deserving of recognition, but never forget they are human, too, and also may need care. To support these health defenders, AHA has a number of behavioral health resources, including a page dedicated to COVID-19: Stress and Coping Resources. Visit www.aha.org to learn more.

Browse our wide selection of specialty items to find something for everyone on your list all at an affordable price.

And don't forget to share your celebration photos with us @ahrmmtweets on Twitter during National Health Care Supply Chain Week, #SCWeek20.
